

Little I Spy

You will need: Pack of cards (without picture cards)

Formats for laying cards on table:

1. Place 10 cards in a row (replace a card as taken)
2. Place all cards in 3 x 3 grid (stacked on top of each other)
3. Place all cards in 5 x 8 or 10 x 4 grid

Versions—Caller says 'I spy...

- One more, one less or between numbers 1–10
eg. I spy the number one more than 5
- Groupings \square with 5 and 10
Eg. I spy $5 + \square = 7$ or I spy $10 + \square = 17$
- Make 10
eg. I spy $4 + \square = 10$
- Halves to 20
Eg. I spy half of 8
- Addition/Subtraction facts to 20—cards picked up need to be touching sides or corners.
eg. I spy two cards that add to 12
I spy two cards with the difference of 5
